RUGBY SCHOOL NIGERIA (RSN)

BOARDING HANDBOOK & POLICIES ACKNOWLEDGEMENT

Confirmation of receipt, discussion and understanding of key boarding information.

Student Full Name	Year Group
Boarding House	Academic Year

Acknowledgement

We confirm that we have received or been given access to the current Rugby School Nigeria Boarders' Handbook and understand that boarding operates within the wider School policy framework.

We have discussed the key boarding expectations, including:

- Daily routines, registration, prep, meals, curfews, room time and lights-out.
- Sign-in/sign-out, leave, visitor and security procedures.
- Bedroom boundaries, privacy, room care and responsible use of shared facilities.
- Phone, laptop, recording and other device expectations.
- Behaviour expectations, rewards, sanctions and the importance of honesty and accountability.
- Anti-bullying, safeguarding, complaints and how a student can ask for help or report a concern.
- Fire, lockdown and other emergency procedures.
- Health, medication, activities and the need to keep the School informed of important changes.

Understanding

We understand that policies and operational procedures may be reviewed during the academic year. Where changes materially affect boarding arrangements, the School will communicate them through the appropriate channels.

We understand that signing this acknowledgement does not remove the student's right to raise a concern, complaint or safeguarding matter, and does not replace any separate consent required by the School.

Declaration

We confirm that we understand the student's responsibilities as a member of the RSN boarding community and agree to support the School in maintaining a safe, respectful and supportive boarding environment.
