RUGBY SCHOOL NIGERIA (RSN)

PHOTOGRAPHY & MEDIA CONSENT

Boarding activities, events and excursions.

Student Full Name	Year Group
Boarding House	Academic Year

Purpose

Photographs and video may be taken during boarding activities, events and excursions to record and celebrate School life. Any use must follow the School's safeguarding, data protection and photography procedures.

Please indicate your choices

Consent Choice	YES	NO
My child may be photographed or filmed during boarding activities and events for internal School records and displays.	☐	☐
Appropriate photographs or recordings of my child may be used in approved School communications and publications.	☐	☐

Important

A decision not to provide media consent will not affect a student's participation in boarding. The School will take reasonable steps to avoid intentionally including students without the relevant consent in material intended for publication.

This consent does not permit students to photograph or record others in bedrooms, bathrooms, changing areas or other private spaces, and does not override School device or privacy rules.
